WC Docket No. 04-23

Section 214 Application

Applicant: One World Telecommunications Corporation

On January 9, 2004, One World Telecommunications Corporation (One World or Applicant) located at 326 Hillside Road, Fairfield, Connecticut 06824-2140 filed an application with the Federal Communications Commission (FCC or Commission), requesting authority under section 214(a) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(a), and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue the provision of U.S. domestic interstate calling card services.

One World indicates that it seeks to discontinue its provision of domestic interstate calling card services to five nonaffiliated telecommunications carriers located in Florida, Nebraska, New Jersey, Pennsylvania and Utah. One World states that it is non-dominant with respect to the calling card services it provides to these carriers, and that it does not provide telecommunications services directly to end users. The application indicates that One World plans to discontinue service on February 15, 2004, or as soon thereafter as the necessary governmental approval can be obtained. One World further indicates that, in accordance with the requirements of section 63.71(a) of the Commission's rules, it provided written notice of its planned discontinuance to all affected customers on January 9, 2004.

In accordance with section 63.71(c) of the Commission's rules, the application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this notice, unless the Commission has notified One World that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, One World may not terminate service to the customers affected by this application until March 6, 2004. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's *ex parte* rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **February 18, 2004**. Such comments should refer to **WC Docket No. 04-23 and Comp. Pol. File No. 674**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service.
